Dear parents,

Greetings from D.A.V. International School!

Assembly time (Antrang) is a necessary collaborative effort to instill confidence, equal participation, and interaction between peer groups. Rejuvenating self through yoga, breathing exercise, and many other activities make the day more rich and refreshing. In addition, it improves the blood circulation and concentration of students. **We are starting morning assembly (Antrang) from 10/06/2021 onwards daily. The timings will be from 8.30 a.m. to 8:50 a.m.** We request all the parents to encourage their ward to be present in the morning assembly (Antrang) and participate enthusiastically. We are looking forward to an energetic, enriched, engaged, enlightening, and super-powerful day with all our dear students.

As a part of Antrang, Havan ceremony will be conducted on the first day, the school reopens after the summer vacation i.e. on 10th June 2021 from 8.30 a.m. to 8.50 a.m. It will be broadcasted live on Facebook. Parents and students are requested to be a part of this program.

True to Swami Dayanand ji's belief, Havan is performed in DAV's all across India. Yagna or Havan is practiced to inhale the pure and fresh air, which improves a person's health, intelligence, strength, and vitality.
