(ASPIRE, ACT & ACHIEVE)

DAVSV/2024-25/59

Dated: 15.10.2024

Dear Parents,

Warm Greetings !

The safety of our students is a top priority and as responsible adults, it is imperative that we set a positive example for our children by adhering to traffic rules and regulations.

The main road leading to the school gate is highly congested during arrival and departure time of the school and any violation of traffic rules could result in serious incidents.

To reduce traffic congestion around the school and prevent delays in the arrival and departure of students and buses, we request you to:

- drive on the correct side of the road.
- pick and drop your ward on time.
- park your vehicles responsibly to avoid obstruction in traffic.
- refrain from turning your vehicle directly outside the school entrance. Instead, please take a U-turn a short distance away.

We look forward to your continuous support so that we can do away with any traffic hurdles in front of the school and provide a safe space for our children. Every step we take is a lesson for our children as they learn by watching our actions. Let us show them how to become a conscientious citizen.

Suam
